

Bladder-Control

- **Promotes bladder strength**
- **Calms over active bladder**

Bladder-Control is an advanced nutritional supplement that promotes a strong bladder and helps to control an over active bladder. This formula contains a blend of herbs that includes Shisandra, Passion flower and Ginseng. Bladder-Control also contains Valerian root which calms bladder spasms. Bladder-Control is used for bladder pain relief and symptoms of interstitial cystitis.

Dosage: Take 2 capsules twice daily or as directed by your health care practitioner.

Contraindications: Not for use in children or pregnant and nursing women.
