

## Butyrate Complex

- **Assists in liver detoxification**
- **Binds to toxins in the digestive tract**
- **Supports detoxification of ammonia**

Butyrate Complex contains calcium and magnesium butyrate. This highly beneficial compound supports the body's ability to detoxify as a whole. Butyric acid is a fat soluble nutrient that sweeps the liver, biliary tree, GI tract and the bowel of fat soluble toxins. Butyric acid is a short chain fatty acid that is a potent detoxifier of ammonia and neurotoxins.

**Dosage:** Take 1 to 3 capsules up to three times daily with meals or as directed by your health care practitioner.

**Contraindications:** None known.
